

Montessori Children's House **Bad Weather**

We maintain the highest level of safety for our children, their families, staff and volunteers. In the event of bad weather, which makes it unsafe to travel to and from pre-school, the Children's House will close.

- In the event of heavy snowfall, icy conditions, flooding or an indoor temperature of below 16C, school will close
- We will remain closed whilst travelling to and from school poses a risk to our children, staff and volunteers.
- The decision to close will be made by Judith and Natasha, taking in to account actions by Fife Council schools and other independent schools and advice from the Scottish Government regarding travel.
- The decision to close will be taken by 8am on the day of the proposed closure; parents/carers and staff will be notified by email or text.
- If bad weather is predicted, we will make parents aware of a possible closure and ask that they check their emails for further updates.
